

CITY OF BOSTON
IN CITY COUNCIL

ORDER OF COUNCILLOR JOHN M. TOBIN, JR.

- Whereas:** Data shows that in 2006, livery vehicles made up 8,696 of the registered license plates within the state of Massachusetts; and
- Whereas:** The preponderance of livery vehicles within the City of Boston has increased as customers use them to travel short-distances within the City; and
- Whereas:** Livery vehicles are not restricted by the same laws that pertain to commercial vehicles; and
- Whereas:** Many livery vehicles have disturbed residents of the City by parking in residential parking spots; and
- Whereas:** These spots are currently reserved for residents of the City and commercial vehicles are excluded from parking in them; and
- Whereas:** Currently, there are not any regulations limiting the parking options of livery vehicles within the City, **Therefore Be It**
- Ordered:** That the appropriate committee of the Boston City Council conduct a hearing to review the existing regulations, enforcement and practices pertaining to livery vehicles in The City of Boston.
